

A WORLD IN WAITING...

ADVENT HOPE IN AN ECONOMIC CRISIS

Following the global financial crisis over the past year, hope is in short supply and needs to be rebuilt. And that is what Advent is all about – a season to take seriously the plight of “those who dwell in darkness”, but also to awaken a longing and commitment to a better and different kind of world.

Churches Together in Britain and Ireland is producing resources for Advent 2009 that look at the crisis in relation to the roots of our Christian beliefs and values, aiming to turn anger and disappointment into a positive force for change.

WEB-BASED RESOURCES

Resources will include reflections, liturgical ideas, prayers and pointers to action. They will be available as free downloads in September 2009. See our website for more details:
