Observe a time for creation, between 1 September and 4 October, for the protection of God's creation and the promotion of sustainable lifestyles. This year's theme links into the United Nations International Year of Biodiversity.

Resources for Creation Time 2010 include suggestions for how churches, groups and individuals can focus on a creation theme at this time of the year, either on one occasion or over the 5 weeks. See www.ctbi.org.uk/creationtime
